Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the injunction or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. C. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)

Defendant, Gotham FC a member club of the National Women's Soccer League in the United States, is fraudulently communicating and making False Claims to the Federal Government of the United States of America for money and fraudulently and incorrectly spending such dollars by acting on the field of play and not trying to win the game of World Football thereby collecting money from American fans that are not really watching the soccer game.

IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

Monetary damages at a later time would not adequately compensate me for the injuries I sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured because Defendant, Gotham FC is playing games on the field of play instead of scoring goals.

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.
